Summer Classes for children who love making art! I emphasize fine art materials and instruction, with a changing curriculum of different art mediums. Projects are varied so students can take more than one session and be challenged with new projects. Join us for a variety of interesting projects and serious fun.

We open at 9 am, classes start at 9:30 and end at 2, with breaks and lunch (please provide your own). From 2 to 3 we have optional projects and play on the yard.

ENROLLMENT IS OPEN! Classes are filled on a first-come, first-served basis. A non-refundable deposit of \$100 per session per student is due at the time of registration. The remainder of tuition is due May 15th, 2012, or you can pay in full when registering. **No refunds of tuition** after June 1st. You can check the website for class availability before you enroll.

KALEN MEYER is an artist and a graphic designer with a B.A. in painting and printmaking. With many years experience in painting, photography, artist book making and graphics, she teaches art to children through her summer program, at Berkwood Hedge and after-school classes at Jefferson Elementary. Class descriptions:

ALL SESSIONS INCLUDE PAINTING & DRAWING: Art fundamentals using a wide variety of media: tempera, watercolors, pastels, pencil, collage, charcoal and acrylics.

ART WITH 10 TO 13 YEAR-OLDS: A week of art for slightly older students, we have a chance to go more deeply into mixed media. We will be working with photography, fabric arts, clay, printmaking, painting and more.

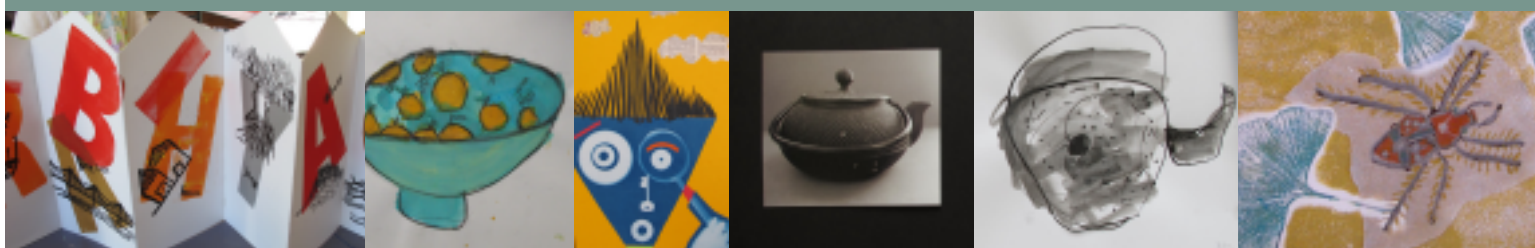

CLAY: Although clay is not listed as a class, we do a clay project every week connected to the media used that week's class.

DECORATIVE ART: In this class we use paper maché, clay, sculpture, wood working and other methods to create decorative (and useful) household objects.

FABRIC ART: Fabric decorating: batik, silk screening, painting, dying & printing—creating a variety of bags, pillows, t-shirts and more with finished fabrics.

PHOTOGRAPHY & PHOTO PROJECTS: Each student is lent a digital camera to take photographs at home for the week. We also have assignments at camp (self portraits, etc.) and create final projects using students own photographs.

PRINTING & BOOK ARTS: Decorating papers, relief printing, monoprints and stamping using a variety of techniques and papers, illustrating, writing, and inventive bookbinding. Non-writing students always have the option of using only images in their artist books.

Please use separate form for each student.
